

## OUR SERVICE

We have curated **bespoke furniture packages** to complement the lifestyle at Thames City. The options prepared provide investors with a package to suit any style or budget.

Our packages also come with the **flexibility** where you can make changes or add extra items to meet your requirements.

From our central London warehouse, we can provide **next day delivery** installations at Thames City SW8.

With huge volumes of stock on hand, we have the capacity to furnish up to 50 units per week.

You also have the option to access our in house interior design team who can dress your property and provide a **full turnkey package**.

**Window Dressings** - if your property needs curtains or blinds, please get in touch and we will carry out a full survey followed by a free quotation.
